7. Emergency Response and Clean-Up for Contaminants

PURPOSE :

Authorize an increase and extension to Contract 7006213, with NRC Gulf Environmental Services, Inc., of Grand Prairie, Texas.

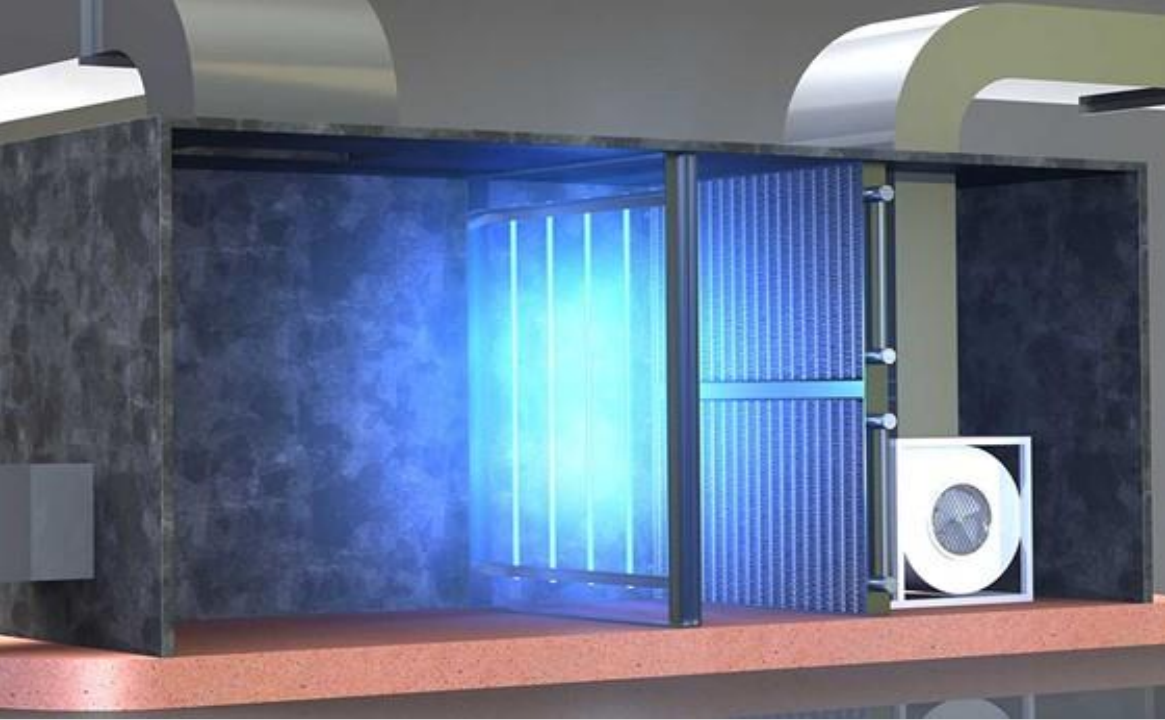

DESCRIPTION :

Increase the contract for emergency response and clean-up of contaminants to provide as-needed glycol removal services.

Benefits to DFW include:

- Enabling a more cost-effective, consortium approach to as-needed glycol recovery services at deicing pads during the winter weather season.
- Ensuring the most efficient equipment is used, reducing time required for pad cleaning operations and allowing for greater operational throughput.
- Providing contracted staff fully trained in hazardous materials response with the knowledge to properly manage spent glycol and efficiently respond to environmental emergencies.

8. Purchase UV-C Light Arrays for Air Handling Units

PURPOSE:

Execute Contract No. 278134, with Texas AirSystems, LLC, of Irving, Texas.

DESCRIPTION:

Installation of UV-C light technology is in response to the COVID-19 pandemic.

UV-C light technology has been installed in Terminals A, B, C, D, E, and E Satellite, terminal connectors, Rental Car Center, and Airport Headquarters Buildings with installations in progress in seven (7) non-Terminal buildings.

This Contract is to advance purchase the UV-C Light Systems material that will be installed in the remaining twenty-one (21) non-terminal facilities under a separate contract in 2022.

11. Quality Assurance Inspection Services

PURPOSE:

Execute Contract No. 8500382, with Foster CM Group, of Dallas, TX; Contract No. 8500388, with Keville Enterprises, Inc., of Irving, TX; and Contract No. 8500389, with PSA Constructors, Inc. dba PSA Management, Inc., of Dallas, Texas. Rescind Contract No. 8500390, with Southwestern Testing Laboratories, LLC, dba STL Engineers, LLC, of Dallas, Texas.

DESCRIPTION:

Previously awarded four \$5M contracts for Quality Assurance Inspection Services in support of Design, Code & Construction.

These Contracts provide construction quality assurance inspection services on an indefinite delivery basis, which allows the Airport to rapidly respond to project and program needs as the volume of work dictates.

Contract 8500390 is to be rescinded, and the \$5M NTE amount will be equally divided between the three (3) remaining Contracts 8500382, 8500388, and 8500389.

15. Base Rent Structure for JCDecaux & Concession Locations in Terminal D

PURPOSE:

That the Chief Executive Officer or designee be authorized to amend the lease for JCDecaux North America and all current Concession leases in Terminal D.

DESCRIPTION:

- Rescind Board Resolution 2019-12-314 that approved the resetting of the minimum annual guarantee (MAG) for the Concessions Leases with locations in Terminal D South/Center to 75% of the total rents paid during FY2020.
- Board Resolution 2020-06-129 approved the suspension of MAG for Concessions Leases until March 1, 2021.
- In light of the pandemic and further decreases in international traffic, this action authorizes staff to suspend MAG for all current Concession Leases in Terminal D from October 1, 2021 to March 31, 2022 (a period of 6 months).
- This action would authorize staff to amend Lease No. 010068, JCDecaux North America, to reduce the MAG to \$10 million (the original lease amount) effective October 1, 2021.
